

FASTWEB makes its mobile debut

*The new mobile service joins the fixed telephony, internet and IPTV services
and enables users to telephone and navigate wherever they may be*

Milan, September 4th 2008 – FASTWEB is launching its mobile service and revolutionizing its residential offer to make it even more convergent. As of today, in addition to **ParlaCasa**, **NavigaCasa** and **FASTWEBTV**, two new options are available for FASTWEB clients: the **Ovunque** (everywhere) convergent offers and the **Mobile** voice and internet offers for users “on the move”. Subscribers can choose the services package best suited to their needs, obtaining significant discounts.

The **Ovunque** offers ensure the complementarity and convergence of the FASTWEB fixed telephony, mobile telephony and internet services:

- **ParlaOvunque: 22.90 euro per month**

Unlimited fixed to fixed national calls and a FASTWEB mobile phone number with free calls and no connection charge for calls to and from the home number. With the **FamigliaOvunque** option, the service may be extended to four other family SIM cards at a price of 5.90 euro per month. **FamigliaOvunque** is available on a subscriber or prepaid basis.

- **NavigaOvunque: 44.90 euro per month**

Unlimited 24hour internet browsing at speeds of up to 10 Mbit/s in reception and transmission on FTTH and up to 20 Mbit/s in reception and up to 1 Mbit/s in transmission over FASTWEB ADSL. The offer also provides an internet key with 500 Mb of internet traffic included, for mobile internet access.

The **Mobile** offers enable users to telephone and access the internet wherever they are:

- **ParlaMobile: 25 euro per month**

300 minutes of airtime per month to all national mobile and fixed network numbers, 50 national SMS text messages per month and all calls from the FASTWEB home number to the **ParlaMobile** number. The offer also includes free calls to 4 FASTWEB mobile phones and the FASTWEB home number.

- **NavigaMobile: 19.90 euro per month (or 17.90 euro per month with purchase of the Internet Key)**

High-speed internet access for mobile users, including 5 gigabyte of Umts internet traffic per month at speeds of up to 7.2 Mb/s in reception and up to 384 Kb/s in transmission. Users may purchase the Momo MD@ internet key or take out a **NavigaMobile con InternetKey** monthly subscription.

FASTWEB has also enhanced its offer for small businesses: **MyBusinessOvunque** is an excellent solution for the fixed and mobile communication and internet browsing needs of professionals, shops and businesses:

- **MyBusiness ParlaOvunque: 37.50 euro per month**

Unlimited fixed to fixed national calls, free calls between the FASTWEB mobile phone and FASTWEB fixed number and an option to extend the service to four other company SIM cards (5.90 euro per month each).

- **MyBusiness NavigaOvunque: 55.50 euro per month**

24 hour internet access, up to 2 available telephone lines while browsing, four 30 Mb e-mail addresses. In addition, connection of up to 5 PCs in areas covered by the FASTWEB fibre optic network and up to 3 PCs for clients in areas supported by DSL services. 500 Mb of mobile data traffic per month with the MOMOdesignMD@ internet key included.

- **MyBusiness Parla&NavigaOvunque: 70.50 euro per month**

FASTWEB also offers the following service to its small business customers:

- **WeCareGold PRO** (3,90 euro per month): a service which ensures speedy and efficient customer service. With WeCareGold PRO the customer care service is available 24 hours a day.
- **Data Security** (3,90 euro per month): a service which allows the creation of safe back-up of all data on the customer's computer.

.....

For subscribers to the new **Parla** services, FASTWEB is offering special prices on a range of UMTS handsets.

All FASTWEB residential offers may be combined with one another to enable subscribers to build a solution tailored to their specific needs and take advantage of **package discounts**:

- for subscribers choosing two offers, a permanent monthly discount of **15 euro**
- for subscribers choosing three offers, a permanent monthly discount of **30 euro**.

A wide range of special offers on FASTWEB services are available on the fastweb.it website.
