

Regarding a potential integration with Wind

**FASTWEB: no room
for an agreement with Enel**

Milan, December 14, 2004 – FASTWEB (Milan, *Nuovo Mercato*: FWB) clarifies that all the rumours so far about a potential integration with Wind are misleading and not true.

In the presence of a combined business plan able to develop major economical synergies, FASTWEB deems that the expectations of Wind's shareholder do not allow to reach any kind of agreement.
